4) Craft – Make Your Own Puzzle

Supplies:

- Cardboard, cardstock or construction paper
- Crayons, markers or colored pencils
- Scissors

Directions:

- 1) Draw a design, a picture or write a decorative Bible verse on your thick paper/cardboard.
- 2) Then, cut your artwork into a variety of shapes to be your puzzle pieces.
- 3) Mix up the pieces and see if you or someone else can put them back together again!

Tie-in to Lesson: Just as you know everything about the puzzle you made, God knows everything about everything and everybody because He made everything. And, just like you know how your puzzle goes together, God knows how everything in our life fits together for our good.

4) **Learning Activity – Do a Puzzle!!**

Supplies:

- A puzzle

Directions:

- 1) Do a puzzle together with your family

Tie-in to Lesson: As you're doing the puzzle, talk about how God's ways are not our ways and His thoughts are not our thoughts, and how He can see the finished puzzle, while we can only see one piece at a time. Try to help kids see the analogy between how God sees the whole plan at once, just like how we can see the whole puzzle once it's done.
